## Professional Summary

---

Highly motivated Full-Stack Developer with 1+ years of experience building and maintaining responsive web applications. Proficient in front-end (ReactJS, JavaScript) and back-end (Node.js, Express.js) technologies. Proven ability to deliver high-quality, scalable solutions that enhance user experience. Seeking opportunities to contribute to fast-paced, innovative teams.

## Technical Skills

---

- **Front-End Development:** ReactJS, JavaScript (ES6/ES7), Redux, HTML5, CSS3, Bootstrap, Material UI, Tailwind CSS
- **Back-End Development:** Node.js, Express.js, RESTful APIs, MongoDB
- **Development Tools:** Git, Webpack, Babel, NPM, Agile Methodology
- **Soft Skills:** Collaboration, Problem-Solving, Adaptability, Teamwork, Communication

## Work Experience

---

### Freelance Full-Stack Developer

Aug 2023 – Present

- Designed, developed, and deployed responsive web applications using ReactJS and Node.js, resulting in improved user engagement and performance.
- Built reusable and maintainable front-end and back-end components to streamline development.
- Optimized code for performance across various devices and browsers.

### Frontend Developer (UI Design)

Aug 2022 – Aug 2023

Kriplus Hypermedia (Spain)

- Enhanced website UI using ReactJS, CSS3, and Bootstrap, leading to a 30% increase in user engagement.
- Developed reusable front-end components, boosting development efficiency by 25%.
- Conducted performance testing and debugging to optimize load times and user experience.

## Education

---

### Master of Computer Applications (MCA)

June 2019 – July 2021

Jaipur National University, Jaipur, India

### Bachelor of Computer Applications (BCA)

April 2016 – May 2019

Jaipur National University, Jaipur, India

## Key Projects

---

### Wine Louise Santi Product Information Website

Developed a full-stack e-commerce website using ReactJS for the front-end and Node.js/Express for the back-end. Implemented features like product browsing, shopping cart, and user authentication, providing a seamless user experience.

### Open Source Contribution: Ngx-Stories Frontend Design

Contributed to an open-source project by creating responsive, user-friendly designs that enhanced the overall user experience.
